Start visiting the website [www.pgcareers.com](http://www.pgcareers.com) to get more about our careers opportunities in Engineering [R000004337](#) and R&D [R000026644](#) (or [R000026128](#), If you are a PhD student).

*P&G is one of the world's largest consumer goods companies, with employees from over 140 countries and operations in approximately 70 countries. P&G aspires to build a better word for all of us.*

*P&G offers a career with responsibility from Day 1 supported by world class training and development. Interns or graduates will be entrusted to work on real projects on some of the largest and most recognizable brands in the world.*

*P&G recruits the finest people and develops talents almost exclusively from within, with the expectation that their interns and graduates become one of P&G's future leaders ... maybe even the next CEO.*

**R. Ilaria Castaldo – Central ADW Making Engineering Manager**  
**Giulia Moggia – Global HSC R&D Product and Process Design Leader**
