

Shape the future with Rolls-Royce. Join us today!

WE LIKE THE WAY YOU THINK

Place: Aula S. Bobbio, Ingegneria, P.le Tecchio 80, Napoli
Date: Tuesday, 23rd December 2014
Agenda: 09:00 – 13:00 Career opportunities in Rolls-Royce
14:00 – 17:00 CV Review – Face to Face Discussions

Internship and graduate opportunities in: Engineering, Manufacturing Engineering, Commercial, Customer Management & Services, Health, Safety & Environment, Purchasing, Supply Chain Management, Operations Management, Finance, Project Management or Human Resources.

We're known the world over for delivering excellence - creating high-performance, integrated power solutions for use on land, at sea and in the air. And now we're looking for minds like yours to help keep our customers one step ahead of an ever-changing world. The kind of minds that can see the logical and the innovative, who can analyse as well as inspire - who love to think as well as get hands-on.

With opportunities spanning a vast amount of areas - the prospects for all kinds of undergraduates and graduates at Rolls-Royce are huge. You'll be given support to develop as an expert or leader in your field. All you need to bring is well-grounded talent and the ideas to make it work.
